June 20, 2025

0:00
hey Matt
0:02
Hey how are you We got him Hey Um so my
0:06
name's Alabama Producer Blake is here
0:09
Also every time we talk about you on the
0:11
show do you know how many moms call in
0:14
freaking out over you
0:18
Shouldn't they be watching their kids No
0:21
they're trying to get Matt Rife tickets
0:23
because they're obsessed
0:26
Oh my god Well I hope I get to see him
0:28

next Sunday Hey Um so we are really
0:30
excited You are the very first act at
0:33
our brand new Coca-Cola amphitheater
0:36
Have you ever been the first act at a
0:38
venue before
0:41
Um
0:43
at some very small comedy clubs Yes And
0:47
traditionally you don't want to be the
0:48
first performer at a new venue because
0:51
kind of everything that can go wrong
0:52
does Nothing's been tested like act
0:56
actively Oh yeah pressure you know come
0:59
out to the show and see everything that
1:00
can go along We might burn the whole
1:01
building down We'll see Are you going to
1:03
try to like do anything backstage to
1:05
christen the venue or what's the first
1:07
thing you're going to do when you get
1:08
there
1:10
Oh that's up to the moms who get tickets
1:12
Oh God No
1:16
[Applause]
1:17
And you know there's a lot of southern
1:19
women here with accents too They're all
1:21
going to be putting on the sweet tea on
1:22
the mat rife
1:25
Oh they better That's the best part
1:26

about the South is the hospitality and
1:28
and the draw Hey when you when you come
1:31
to Alabama is there a place that you
1:33
like to visit
1:38
Jim and Nicks Barbecue Oh boy Yeah the
1:41
stuffed the uh or Dreamland barbecue
1:43
I'll take either one dude Dreamland is
1:45
the best What's the weirdest thing about
1:48
If somebody wants to bring it to the
1:49
show I will take it That that is the
1:51
easiest way to poison me is via barbecue
1:53
in the South since you've been here
1:54
because I know you you're a Midwestern
1:56
guy You grew up in the Midwest What's
1:58
the weirdest thing about people from
1:59
Alabama when you come visit
2:03
That we're exactly the same I always
2:05
tell I'm from Ohio I've always told
2:08
everybody Ohio's like the Alabama of the
2:10
North We're both so delightfully white
2:13
trash I think we're the best best types
2:15
of people Do you drink I lived in
2:17
Michigan for a little bit Do you drink
2:19
milk with your dinner Like do you drink
2:21
milk with spaghetti
2:24
No I'm not a serial killer I'm from Ohio
2:26
So my lord who drinking milk with I
2:30

haven't drank milk with spaghetti since
2:31
fifth grade I swear to God your
2:33
neighbors in Ohio Michigan they do it
2:37
Well they're awful and that's why
2:39
they're our rivals
2:41
Uh since you're blowing up so much do
2:44
you ever Google yourself Do you Google
2:46
what people are looking up about you
2:49
God no If there's one piece of advice I
2:51
can give to anybody who wants to be
2:53
successful in entertainment never look
2:55
yourself up What's the weirdest thing
2:57
people ask that they want to know about
2:59
you when they meet you Like what's the
3:01
first question Like a crazy fan comes up
3:03
and you're like really That's what you
3:05
want to know
3:07
Do you drink milk with spaghetti Yeah I
3:10
mean honestly that's a good That's
3:12
definitely the wildest thing anybody's
3:13
ever asked me up front I swear to God
3:15
somebody's done that I've seen people do
3:17
it I have seen them do it Um uh what you
3:21
got Blake You had a question Oh I was
3:23
just going to see if there's ever going
3:24
to be a collab between you and Young
3:26
Gravy since you're both stealing the
3:27

mother's hearts out here
3:31
I don't know I've never met the guy I
3:33
know we have a bunch of uh friends in
3:35
common but I think that'd be awesome Oh
3:36
dude If you ever want to come out to a
3:38
show maybe we could do a little collab
3:40
That'd be cool That would be great Well
3:41

3:44
the Coca-Cola Amphitheater Um thank you

4:33
come bald if I were you That's That's
4:35
